

FIG.1 - Overall process

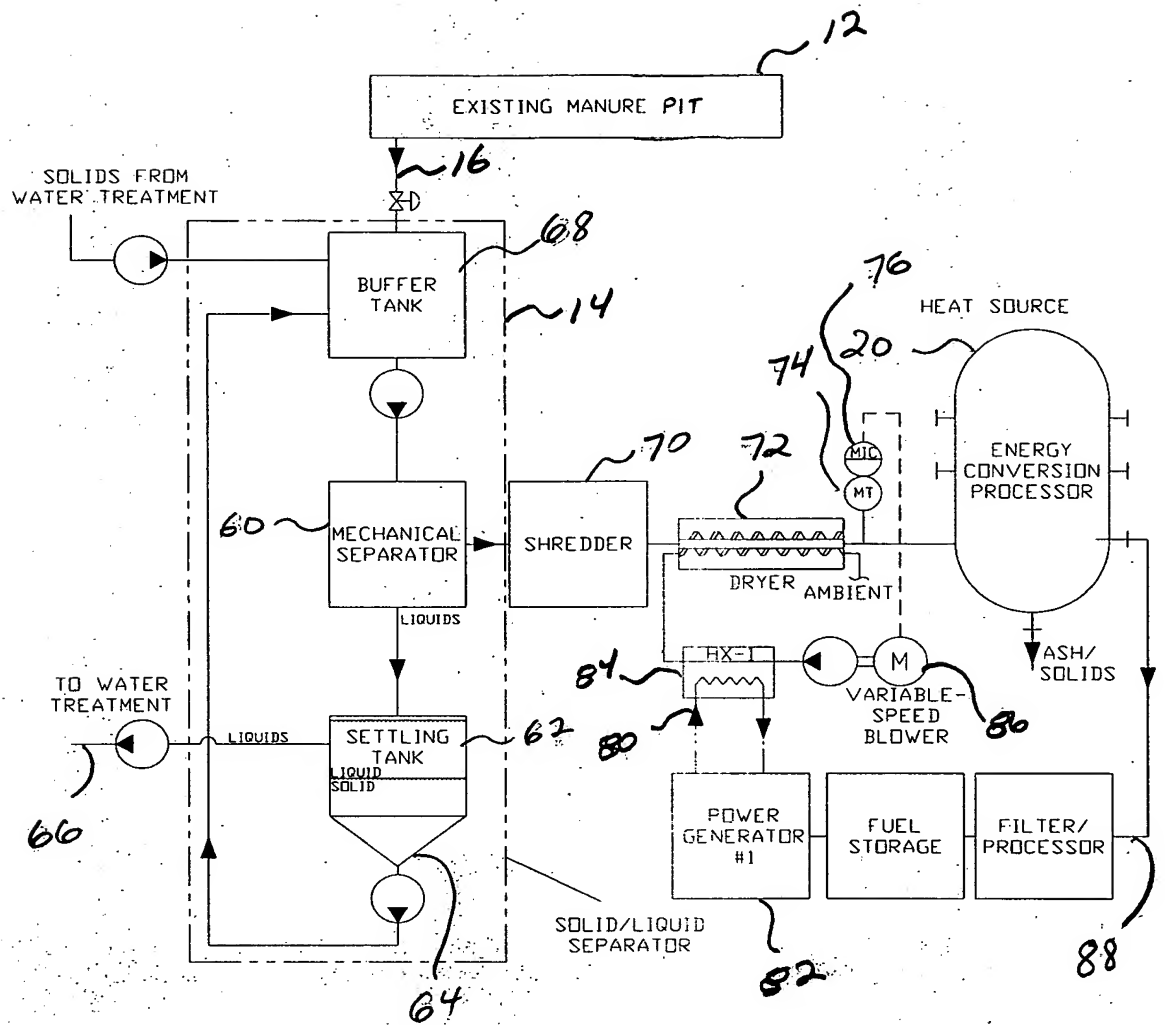

FIG.2 - High solids concentration manure solids control apparatus

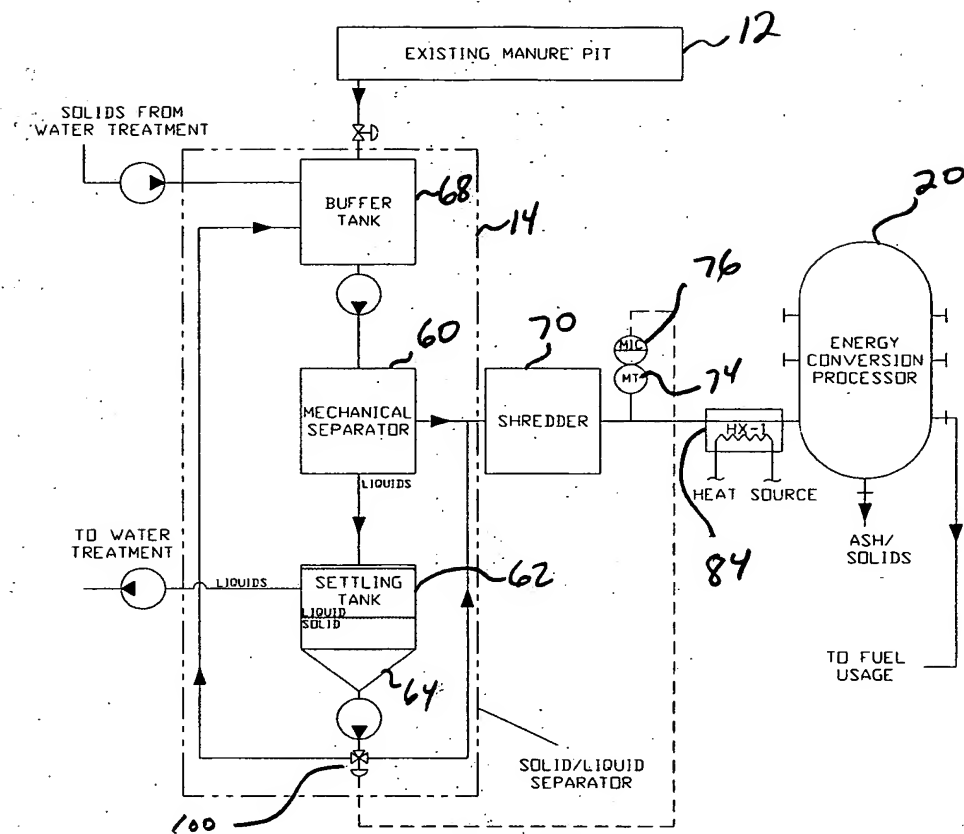

FIG.3 - Low solids concentration manure solids control apparatus

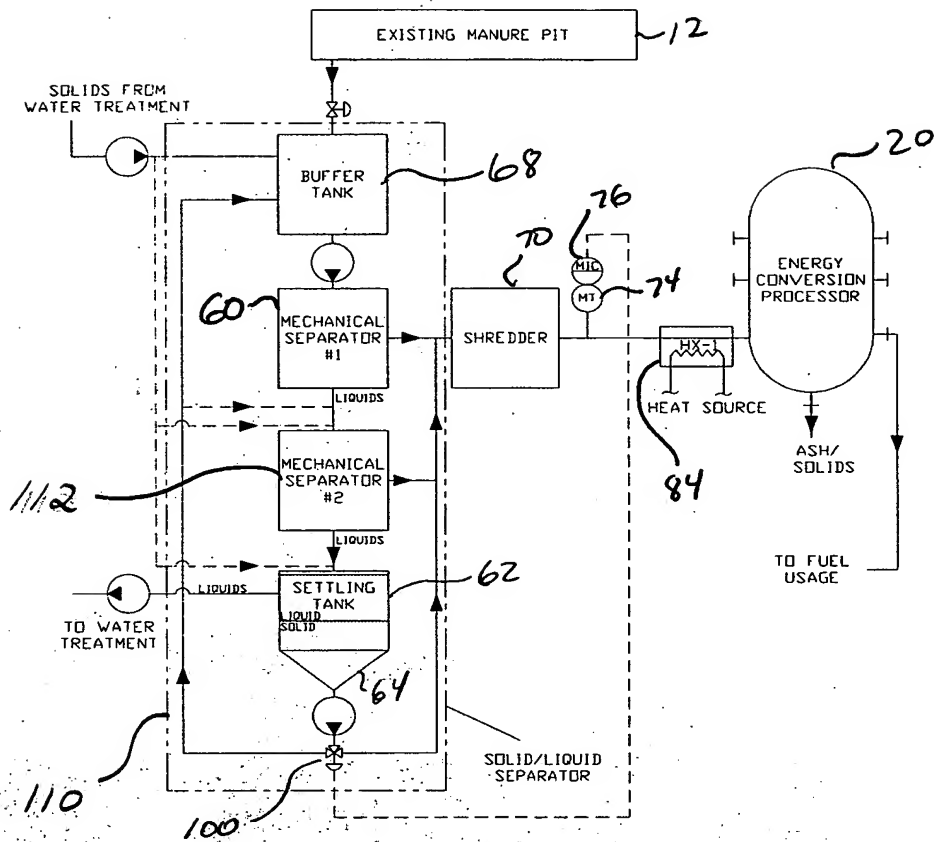

FIG.4 - Manure solids control apparatus  
multiple mechanical separators  
low solids concentration shown

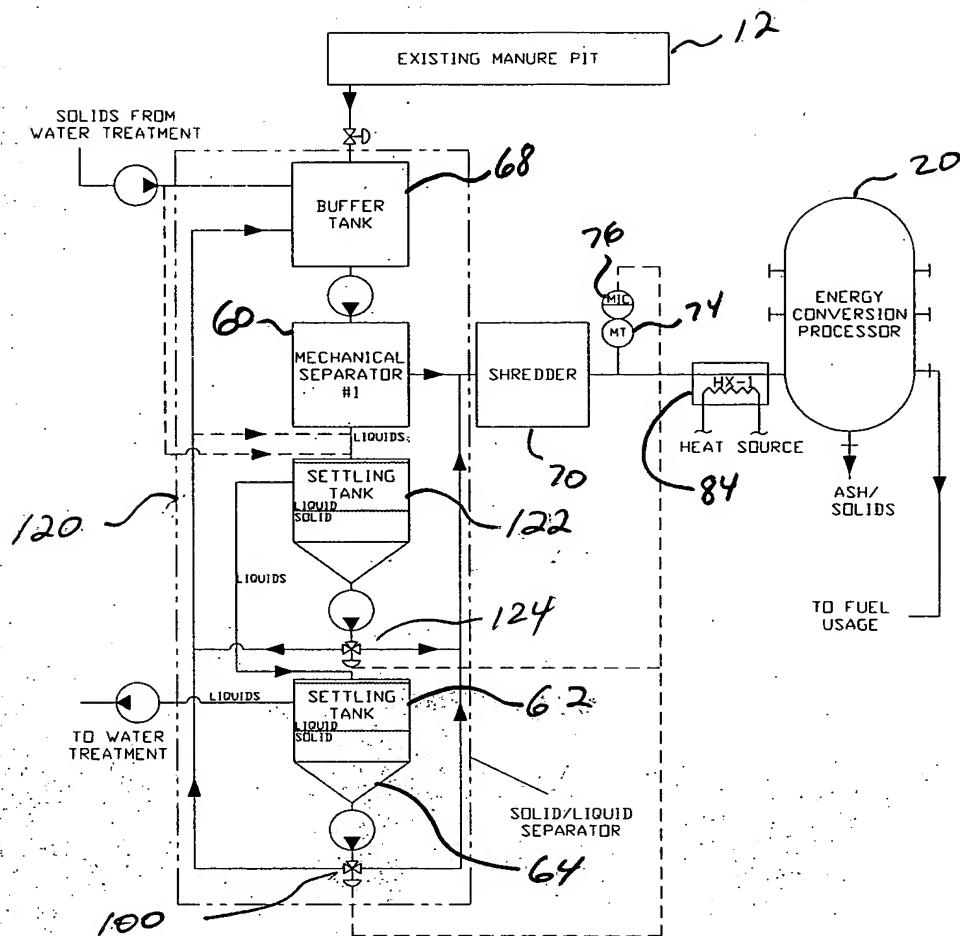

FIG.5 - Manure solids control apparatus  
multiple gravity separators  
low solids concentration shown

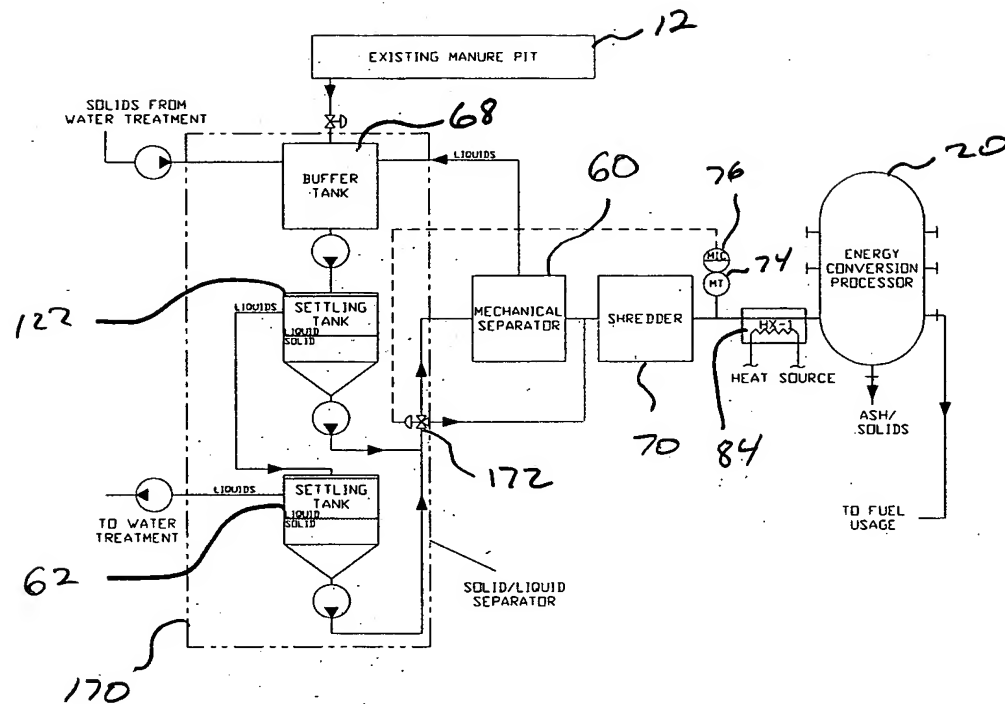

FIG.7 - Manure solids control apparatus  
initial gravity separation  
low solids concentration shown

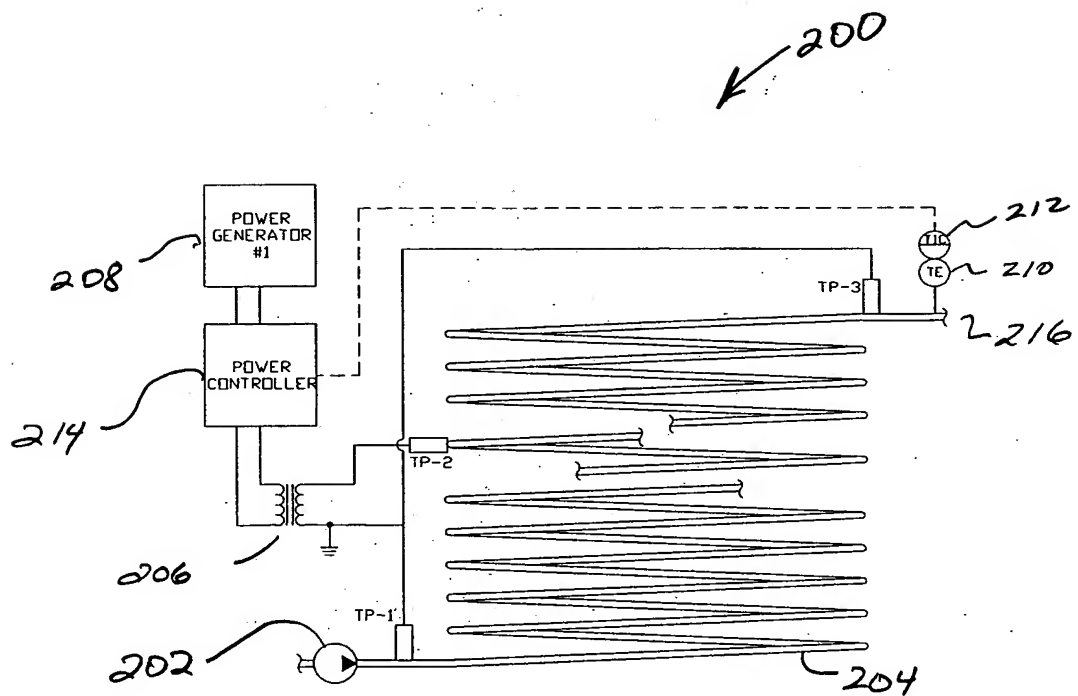

FIG.8 - Continuous Flow  
Energy Conversion Processor
